For Immediate Release...

Greystone Healthcare Management is pleased to announce the addition of Carlton Shores Health and Rehabilitation Center, Daytona Beach, to its portfolio of nursing and assisted living facilities under management in Florida.

Carlton Shores, an 84 bed skilled nursing and 36 bed assisted living facility with nearly 100,000 square feet, represents a unique opportunity states Rob Yandek, Director of Acquisitions for Greystone Healthcare Management. "It is our intention to create the premier medical and rehabilitation destination in Daytona Beach and Carlton Shores offers a physical plant that gives us the platform we need to achieve that goal."

Greystone Healthcare Management plans a substantial renovation program at Carlton Shores over the next 24 months to include: private rehabilitation suites; expanded and advanced therapy gyms; well appointed family and guest areas; transportation; and elegant aesthetic improvements designed to enhance the facility's overall functionality and curb appeal.

Greystone Healthcare Management Corp., headquartered in Tampa, manages skilled nursing and assisted living facilities located in Florida, Indiana and Ohio. For more information, please visit our website [www.GreystoneHCM.com](http://www.GreystoneHCM.com)
